The Homeowner participants offer their homes to provide a view into popular period designs, outstanding décor, and colorful landscaping.

Complete the form below to purchase tickets. You will receive the instructions of where to pick up your tickets and start your tour by return mail close to the event date. Your ticket is entry into each home. No one will be admitted to any home without a ticket. The information line is 619-800-2631 . Each touring guest will need to sign a waiver with the following language prior to starting the tour. Please review this language prior to the event.

I hereby accept sole and complete responsibility for any damage or injury I might experience on the 2011 Organic & Sustainable Home Tour. This agreement is understood in California to be a waiver and release. By signing this agreement, I understand I release and waive any rights I could have against any person or entity affiliated with the Home Tour, including, but not limited to the organizers, the leaders, the sponsors, the homeowners of the houses I visit, College Neighborhoods Foundation, any of its present, past or deceased board members, and the very nice people who allowed us to copy and use this waiver. If I have brought minors (not minors) with me on the Home Tour, like my children or relatives or friends, I agree to assume sole and complete responsibility for them should they fall down and go boom, swing from a tree into a canyon, fall into a pool, dash into a street, crawl under a house, or whatever. I have read, understand, and agree to be bound by all terms and language above, which even though written in a light tone, I realize is serious.
